

# MRWA WATER OPERATION & MAINTENANCE TRAINING SESSION

## AGENDA

- 8:00am**      **MRWA Updates and Services**  
*See what's new in the industry and learn about the changes in store for water and wastewater operations specialists. Get the latest on MRWA training, events, and technology.*
- 9:00am**      **Meter Differences**  
*Learn the differences between Positive Displacement and Solid State Ultrasonic Meters, including AMR versus AMI Radio Technologies, and the differences between 1-Way versus 2-Way Radio Systems.*
- 10:00am**    **ISO (Insurance Services Office)**  
*Water departments are responsible for 40% of that insurance score. Learn what your responsibility is for scoring of your distribution system.*
- 11:00am**    **MDH Updates**  
*Learn from the Minnesota Department of Health what you should be doing to keep your water system in compliance and what to do in certain emergency situations.*
- 12:00pm**    **Lunch - (On Your Own)**
- \*1:00pm**     **Understanding Radium**  
*Learn what radium is, where it comes from, and how radium can be removed at this session.*
- 2:00pm**     **Innovative New Products for Locating**  
*See new developments and innovative new products for the underground utility industry.*
- 3:00pm**     **Water Treatment Hazards**  
*See the rules and regulation requirements from Minnesota OSHA and learn what safety violations to watch out for.*
- 4:00pm**     **End of Day**

\*Water Operator Certification Exam will be given at 1:00pm. You must pre-register with the Minnesota Department of Health **15 days prior to the training session**. For an application form and study guide, call MRWA at 800-367-6792 or Noel Hanson, MDH at 651-201-4690. You can also download an exam application at <http://www.health.state.mn.us/divs/eh/water/wateroperator/infoexam/opexamapp.pdf>

**November 7, 2018**
