

MRWA WATER OPERATION & MAINTENANCE TRAINING SESSION

AGENDA

- 8:00am** **MRWA Updates and Procedures**
Get the latest information about what is going on in the industry. New training, events, and technology will be covered.
- 9:00am** **Phosphates and Corrosion Control**
What can be done to minimize dirty water? Is your water system compliant with lead and copper rules to avoid similar issues as Flint, Michigan?
- 10:00am** **Water System Modeling**
Modeling is no longer just for wall maps and planning. It's now one of the most effective diagnostic preventative and predictive tools operators can have.
- 11:00am** **MDH Updates**
Learn from the Minnesota Department of Health what you should be doing to keep your water system in compliance and what to do in certain emergency situations.
- 12:00pm** **Lunch - (On Your Own)**
- 1:00pm** **New Utility Viewer**
Endoscope camera with LED light that extends up to eight feet, plus it works with your smart phone to record or take pictures. This presentation will also address safety and security of your water reservoirs.
- 2:00pm** **Elk River Water Treatment Facility System Updates**
Improvements and optimization of the water treatment have significantly improved the water quality and efficiency in Elk River.
- 3:00pm** **Water Systems 101 Activitiy**
This activity will test your knowledge of rules, water operations, treatment, and distribution system components.
- 4:00pm** **End of Day**

April 24, 2019

MRWA Water O&M Training

**City of Elk River
1104 Lions Park Drive NW
Elk River, MN**

About the Class:

Get valuable information you need from our expert trainers to maintain compliance with the Safe Drinking Water Act (SDWA) and state regulations.

Technical assistance to address compliance issues is available from Minnesota Rural Water Association at no cost.

Support Minnesota Rural Water Association Training | Technical Assistance

**6 certification hours |
FREE of charge!**

Instructors: AE2S; City of Elk River, MN; Hawkins Treatment Group; Minnesota Department of Health; Water Tower Clean and Coat; and Minnesota Rural Water Association

This Safe Drinking Water Act training is brought to you through a grant by the National Rural Water Association and US EPA.

Attend this session and learn how to keep your water system in compliance with state and federal drinking water regulations!

To Register For Any Training Session: Call the MRWA Office at 800-367-6792 or online at www.mrwa.com. Use the Training Calendar link.
