

Sample Water Ordinance -- Water Meter Installation

Ordinance _____

An Ordinance Relating to Water Meter Installation

An ordinance forming Section _____ of _____ City Code.

The City Council of the City of _____, Minnesota does ordain as follows:

SECTION _____ WATER METER REPAIR AND INSTALLATION.

Subd. 1. When an _____ city water meter is broken because of freezing due to inadequate draining of the water lines, the following will result.

- A. A city service fee that will be determined from time to time by resolution of the Council shall be paid in advance of any work being done by the _____ City Employees.
- B. The cost of the new meter shall be billed and collected from the water customer.
- C. The new meter shall be installed only during normal working hours. Any installation request after 1:00 pm shall be done on the next regular working day.
- D. All water meters are property of the City of _____, Minnesota. Any missing meters shall be replaced with the cost of the meter and installation being the responsibility of the property owner.

Adopted by the City Council this _____ day of _____, _____ year. This ordinance shall take effect upon publication.
